**FILED**

UNITED STATES DISTRICT COURT  
ALBUQUERQUE, NEW MEXICO

**To: United States District Court  
For the District of New Mexico**

SEP - 1 2004

**Civil. No. 03-51 JB/LFG  
8/30/2004**

CLERK

**I received an order to show cause on the 20 of this Month, wherein plaintiff advises the court that I (Jess Sanchez) has been non-responsive and has failed to communicate with them.**

**I wish that it be entered into the records that I have not only been responsive but have sent ALL documents that have been requested by the court and DirecTV Inc. many months ago. (See attached) I have been as cooperative as possible with DirecTV and their attorneys whom I have had numerous disagreements because of there methods of doing business and especially with Attorney Valerie V. Vigil who is the one who has on occasion communicated with me.**

**For them to say I have been unresponsive is just one more attack on me and I feel that it is uncalled for and unnecessary as I do not in any way feel that I have damaged DirecTV in any way shape of form. (See attached documents)**

**Thank You**
